# LET'S BRING YOUR VISION TO *life*

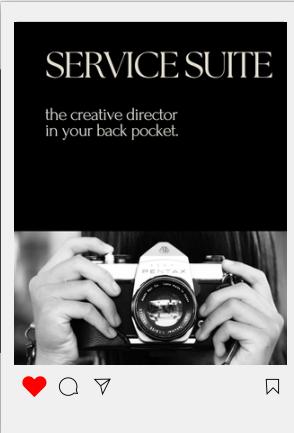

At LNDC, we choose to do things differently. It is an honor to partner with brands in a way that delivers meaningful value to their customers, always led by integrity. That commitment is why we hold ourselves to the highest standard—honest pricing, personalized solutions, and caring for your brand as if it were our own.

There are eight principles that guide who we are—human beings first, business collaborators second. We call this our culture, and it shapes how we show up for you everyday.

## OUR CULTURE

- Expect MIRACLES.
- Don't aim for perfect—aim for interesting.
- If you can't get out of it, get INTO IT.
- Want BETTER, not MORE.
- Know the work will never be finished; find rest along the journey.
- Understand that the essence of life and business is moving forward.
- You are the person for the job. Act accordingly.
- Be a blessing to others, and your life will be BLESSED.
